- **The Teacher's Locker** secures your valuables when you need to step away from your cart.
- **The Supply Cabinet** allows you to adjust and customize the organization of art supplies.
- **The Demo Table** flips up for you to use, not only to have an instant demonstration area for your students to gather around, but also in combination with the device pole mount.
- **The Device Pole Mount** can accommodate smart phones and tablets to pre-record lessons or use during class demonstration.
- **The Lift-Up, Dual-sided White Board** provides writing surfaces for reviewing content, collaborating, or creating visuals.
- **Metal Pegboard Surfaces** are yet another space for you to store and access supplies - be it brushes, paper towel, or scissors. They also accept magnets!
- **Deluxe 5" Balloon Wheel Swivel Casters** – the best wheels on the market! No matter how much you store in your cart or the surfaces you travel on, these wheels will make it easy to get you there.

The **PRANG® Mobile Classroom** has everything a teacher on-the-go needs, with unparalleled versatility, abundant storage, and durable, high-quality construction. Most importantly, it's made to support education and easily transform any space into an engaging learning environment for all students and teachers. **PRANG® Mobile Classroom** is truly a "classroom-on-wheels."
